"Initially it worked well and I slept much better, but I continued it for a longer term than is recommended by MedSafe today," she said.

Also, how will the policy address alcohol use? Alcohol is legal and, in many circles, commonly used and accepted.

In response, states would likely cut back on Medicaid coverage, benefits, and payments to providers.

Thank you for sharing this story with us.

I just want to say I'm very new to blogs and seriously loved your web page.
